Let us abridge the education divide due to Covid -19 pandemic, by utilising following proactive Government of India digital learning initiatives:

- SWAYAM Online Course
- UG/PG MOOCs
- e-PG Pathshala 77 PG Subjects
- e-Content Courseware in 87 UG Subjects
- SWAYAM Prabha DTH Platform
- CEC-UGC YouTube Channel

Teaching and student community may use these academic databases and digital repositories having a complete coverage of curriculum of higher education with different e-learning modules and lectures. Above web-links may be shared amongst the students and after going through the specified chapter (assigned to the students by the teacher) teachers may resolve the doubts of students through some social networking group such as WhatsApp group or video conferencing software.
